

### **Ivan's Sad Weekend**

Ivan and his family go to the beach at the weekend. It is a hot and sunny day. They bring a beach mat, slippers and a bag. Ivan and his sister are building sandcastles. His parents are sunbathing. They feel glad at the beach.

Suddenly, Ivan sees a big cloud in the sky. The grey sky looks gloomy. He worries that it will be rainy.

After a while, it rains. People pick up their things. Ivan feels downcast because he can't play on the beach anymore.

Finally, although he is tired and drowsy after going to the beach, he feels joyful. He hopes he will go to the beach again.
