An Unforgettable School Picnic

Today, I go on a school picnic with my classmates. We go to Tai Po Country Park by school bus. It is a sunny day and we are so excited.

After 20 minutes, we arrive at the country park. There are a lot of colourful butterflies and big trees there. The beautiful landscapes are so wonderful that we take a lot of photos. We feel excited. We have lunch in the afternoon. We bring some sandwiches, cupcakes and orange juice for the picnic.

Suddenly, when I am eating my sandwich, a cow comes towards me and tries to eat my food. I feel very scared and dare not to move. After that, my teacher comes and slowly distracts the cow. The cow also slowly leaves. I am relieved.

At four o'clock in the afternoon, I go home by school bus. I feel happy and unforgettable.
