My Favourite Festival

My favourite festival is Christmas. It is in December. We also have a Christmas party at this festival.

At Christmas, we have a party with our relatives and friends. Before the party, my brother and I are always excited to decorate the Christmas tree. We pump balloons and hang streamers in the living room.

Then, we dress up beautifully and join the party. At the party, we eat turkey, gingerbread cookies and pies. They are delicious. Next, we sing Christmas carols and exchange presents together. After that, we go out and look at Christmas lights. They sparkle like stars!

I like to celebrate Christmas. It is because I have a lot of friends to celebrate together. We all have a great time.
