A Letter to Grandma about My New School Life

Dear Granny,

How are you? I miss you so much. I moved to Kowloon Tong during the summer holiday. I started studying at my new school, Rode Primary School, in September. So far, I feel a bit unhappy with my new school life because I miss my friends, especially when I see the joyful faces of my new classmates. Also, the teachers give us a lot of homework.

My favourite subject is English because learning new words is fun and interesting. Miss Chan teaches me this subject. She is kind and helpful. In her class, we play English games and read English books in class. Sometimes we even have activities in the English playroom. I am good at English and I really like Miss Chan.

I've also joined some extra-curricular activities at my new school. My favourite one is the flute class. Miss Lam is our flute teacher. She is strict and may scold us if we do something wrong, but when we behave well, she is really funny. I have to remember to bring my flute and music book every time. I enjoy this activity because I like playing the flute.

I will visit you from 21st to 31st December. I have a secret Christmas present prepared for you. I hope you will like it. I am really looking forward to seeing you in England during Christmas.

Best Regards,

Hayley
